GENERAL QUESTIONNAIRE FOR THE ZONE

(To be completed by the ERB Team)

Date:

Zone visited

Regions/Districts/Municipalities visited _____

Regions visited _____

Date(s) of the visit _____

1.0 Engineering Consulting Firms:

1.1 Number of firms identified in the Zone

1.2 Practicing experience of the consulting firms.

[illegible]

2.0 Registration Status

2.1 Engineers

2.1.1 Un-registered Engineers/Engineering Technicians), practicing the Profession

Qualifications	Number of Engs.	General Comments on the observations		
		Serious	Moderate	Fair
Degree holders				
Advanced Dipl.				
Ordinary Dipl.				
FTC holders				
Other (mention)				
Total				

NB: See attached paper for the list of engineers under respective engineering firms.

General Remarks:

2.1.2 Non Engineers Practicing the Profession

Qualifications	Number of People	General Comments on the observations		
		Serious	Moderate	Fair
Total				

2.2 Engineering Consulting Firms

2.2.1 Un-registered Engineering Consulting Firms Practicing the Profession

Name of the Firm	Number of Registered Engineers/Engineering Technicians										
	PE		TE		GE		GTE		E/Tech		Remarks

General Remarks:

2.2.2 Registered Engineering Firms

Name of the Firm	Number of Registered Engineers/Engineering Technicians										
	PE		TE		GE		GTE		E/Tech		Remarks

General Remarks:

3.0 Adherence to the Code of Conduct and Ethics in Engineering

Item	Number of cases	General Comments on the observations		
		Serious	Moderate	Fair
(i) Corrupt practices				
(ii) Non Confidentiality				
(iii) Impartiality				
(iv) Conflict of Interests				
(v) Unfair Competition				
(vi) Practice outside area of competence				
(vii) Approval of drawings not in conformity with approved standards				
(viii) Non conformity to Occupational Health and Safety Standards and requirements				
(ix) Non conformity to environmental protection and conservation standards and requirements				
(x) Other breach of the Code of Conduct and ethics, Regulations and/or the Act				

General Remarks:

4.0 Meeting with Engineers in the Zone

4.1 Issues addressed

SNo	Issues
1	
2	
3	
4	
5	

4.2 Problems raised

SNo	Problems
1	
2	
3	
4	
5	

4.3 Solutions/Suggestions put forward

SNo	Solutions/Suggestions

3	
4	
5	

5.0 Zonal workshops/seminars/lectures

5.1 Theme/topic(s)

(1) _____

(2) _____

(3) _____

5.2 Number of papers presented _____

Authors (i) _____

(ii) _____

(iii) _____

5.3 Number of participants _____

5.4 Proposals on possible future themes/topics

- (i) _____
- (ii) _____
- (iii) _____

5.5 Any other feedback

6.0 General observations made by the ERB Team

6.1 Public awareness of the Registration Act

Very good ☐ Good ☐ Fair ☐ Poor ☐

Any other comments _____

6.2 Engineer's awareness of registration procedures:

Very good ☐ Good ☐ Fair ☐ Poor ☐

Any other comments _____

6.3 Engineer's Awareness of Board's activities:

Very good ☐ Good ☐ Fair ☐ Poor ☐

Any other comments _____

6.4 Engineers' awareness of the code of conduct and ethics for engineering practice

Very good Good Fair Poor

Any other comments _____

6.5 Engineers awareness of the Engineers Registration Board, 1999, Regulations.

Very good Good Fair Poor

6.6 General assessment on the fight against corruption in the engineering profession in the zone

7.0 Team members
